NOTES:

1. Tires, rims, or appliances included on trailers, vehicles, mobile homes, etc., will be charged applicable fees.
2. Refrigerated appliances include refrigerators, freezers, and air conditioners. Non-refrigerated appliances include dishwashers, dryers, microwaves, ovens, stoves, trash compactors, washers, water heaters, etc.
3. Gate attendant shall use his/her best judgment in assessing the load delivered to the facility and determining the applicable gate fee based upon reasonable inspection and measurement. Such estimate shall be final.
4. Charges may be rounded to the nearest \$0.25. Charges determined on a "per ton" basis may be assessed partial units in increments within the accuracy of the scale equipment.
5. All customers are responsible for ensuring that the full content of their load is disposed in the proper location or storage container. Any portion of a load insufficiently disposed and requiring management by the gate attendant or other site personnel is subject to a processing fee under "Special Handling Items."
6. Barrels, drums, tanks, or any other liquid-tight storage container must be drained of its contents. Any such item greater than 55-gal. capacity that previously stored petroleum-based products is prohibited.

Additional specifications and restrictions apply. Please contact the Mono County Department of Public Works at (760) 932-5440 for details, questions, to request a complete fee schedule, or to set up a charge account.
